SCRIPTURE VERSE

God is our refuge and strength, an ever-present help in trouble.

Psalm 46:1

PRAYER

O God, you know us to be set in the midst of so many and great dangers, that by the reason of the frailty of our nature we cannot always stand upright; grant to us such strength and protection as may support us in all dangers and carry us through all temptations through Jesus Christ our Lord. Amen.

FROM THE VICAR'S DESK

Dear Parishioners

The parable of the talents (Matthew 25: 14-30) explains how when God entrusts talents to us, he expects us to use them in such a way that they thrive, grow and bear fruit for His Kingdom.

God has given me a talent that I have been using for a long time. Since I was a kid, I have had the natural ability to connect with people. A classmate once told me he knew where to find me because he would listen for my loud voice and laughter and look at where there was a large group of people gathered and would head there.

When I finished Bible College, I got a job as a marketing executive of a recreation club selling club memberships. I would go to shopping malls and food places in Singapore and talk to strangers. Within half an hour of meeting people, I would be selling them a membership to the club. In the three months I worked there, I engaged with lots of people, sold memberships to most of them and earned more commission in that time than others who had been there longer.

Since then, God has led me into a ministry of leading churches into reaching the community. I have used my talent to engage with people and network with churches and community groups to better serve our community. I have met many people, often leading them to the Lord, or helping them to become part of a church.

Are you using your talents to grow and bear fruit for the Kingdom of God? Or have you hidden your talents so that they can't bring glory to God? The Bible tells us that if we don't use our talents, we will lose them. Let's offer our talents and abilities to God so that the work and mission of God can grow.

Blessings, Chris
